

## WHAT TO DO NEXT .....

Call in at the School Office for a Starter Form so we know you would like your child to come to our Nursery and we will explain what happens next.

Nursery outside area

Telephone: (01234) 261854

*"Together in learning"*

See our website on: [www.qpls.co.uk](http://www.qpls.co.uk)

## Welcome

Thank you for showing an interest in Queens Park Lower School Nursery.

This leaflet is intended to introduce you to our Nursery provision. We hope it will answer any questions you may have. If you would like to know more, please contact us on (01234) 261854.

## Times

Morning session: 9.00 am until 11.30 am  
Afternoon session: 12.45 pm until 3.15 pm

The children attend either for 5 mornings or for 5 afternoons each week. They can start at the beginning of the school term after their 3<sup>rd</sup> birthday. So, if the child is 3 in November, he or she can start in Nursery the following January.

We have places for 39 children in the morning and 39 children in the afternoon.

The ratio of staff to children is 1:13

## Curriculum

The children in Nursery are engaged in active learning. All areas of the Early Years Foundation National Curriculum are covered. Learning takes place in the Nursery and in the outside area, which is always accessible.

Activities are child-led and fun. The painting table, playdough, sand tray, water tray, home corner, gluing table, construction materials and computer are always available, as well as activities designed to encourage physical development such as bikes and balancing trails. We include stories and songs in every session. All these activities give the children the experiences and encouragement to develop the skills necessary for school "learning". Early writing, reading and numeracy skills are also developed throughout the year.

## Contact

If you would like to visit us and see the Nursery in session, please call in or 'phone us on (01234) 261854.
